Former Austro-Hungarian Consul San Francisco Asserts That Consuls of His Country Are Active in Plots To Destroy Factories.

Washington, D. C., Nov. 12.—The published charges attributed to Dr. Joseph Gorieur, former Austro-Hungarian con sol at San Francisco, that Austrian con sule in the United States, working un der the direction of Consul General Von Nuber and Count Von Bernstorff, the German ambassador, are active in a opaganda for the destruction of munitions factories and are fomenting strikes among the workers, will be referred to the state department to the department

of justice for investigation.

The Austrian embassy here denounce Gorlear's public statement as untrue in every particular. In substance, Goricar is accredited with making the statement that he resigned his post after years in the consular service because he declined to perform the work of a spy. He charges that while at San Francisco, the Austrian naval attacks at Washington ordered him to gather plans of the fortifications in San a harbor and along the Pacific coast, and to get especially the details of the works at the Bremerton many When he refused, thericar is no credited with saying, he was transferred

CHECKS SENT FOR SUPERINTENDENCE

IN SUGAR BAG Six Cities and Towns Received the Limit Allowed by the State, Barre Being Included in the List.

> State Treasurer Scott is sending out checks to the towns and cities of Vermont to pay the state's share of the expense of superintendence of schools for the year ending June 30, 1915. Hereafter a change in the law will make the duty of paying out this fund devolve upon the state auditor, and payments will be made monthly instead of yearly. The towns have to certify to the amount of money paid for superintendence, and they re-ceive back \$1,000 for the first \$1,200 paid out, and half of any amount above that sum, except that in no case shall a city or town received over \$1,300 a year from the state. . Six cities and towns receited the limit
